

Prof. Dr. med. Jens Wiltfang

Department of Psychiatry and Psychotherapy, University Medical Center Göttingen, Georg-August-University Göttingen

1. Curriculum vitae

Academic Education and Scientific Degrees

- 1979-1986 Study of medicine at the Hannover Medical School (MHH), Germany
- 1988 M.D. degree (Dr. med.) at the Hannover Medical School (MHH), Germany
- 2002 Habilitation, venia legend for Psychiatry & Psychotherapy, Faculty of Medicine, University of Göttingen, Germany

Academic Career

- 1987-1990 Max-Planck Fellowship & DFG Post-doctoral fellowship, basic research in neuroscience and protein biochemistry, Max-Planck-Institute for Experimental Medicine, Göttingen
- 1990-1997 junior resident clinical psychiatry and clinical neurology; area of research: molecular psychiatry, University of Göttingen
- 1997 Specialty qualification (Facharzt) for Psychiatry & Psychotherapy, University of Göttingen
- 1997 Specialty qualification (Facharzt) for Neurology, University of Göttingen
- 1997-2002 head of the research groups Molecular Neurobiology & Neurochemical Dementia Diagnostics, University of Göttingen, Department of Psychiatry
- 1999-2002 Senior resident (Oberarzt), University of Göttingen, Department of Psychiatry
- 2002-2007 C3 chair of the clinic for Psychiatry and Psychotherapy, head of the research laboratory for Molecular Neurobiology & Neurochemical Dementia Diagnostics, Dept. of Psychiatry, University of Erlangen-Nuremberg, Germany
- 10/2007-10/2013 Chair of the clinic for Psychiatry and Psychotherapy at the University of Duisburg-Essen and clinical director of the Dept. of Psychiatry and Psychotherapy, LVR-Klinikum Essen, Germany
- since 10/2013 Chair of the clinic for Psychiatry and Psychotherapy University of Göttingen and clinical director of the Dept. of Psychiatry and Psychotherapy, University Medicine Göttingen and Coordinator of clinical research at the German Center for Neurodegenerative Diseases (DZNE) Göttingen, Germany

Scientific Career

- 1990-1997 Junior resident clinical psychiatry and clinical neurology; area of research: molecular psychiatry, University of Göttingen,
- 1997-2002 Head of the research groups Molecular Neurobiology & Neurochemical Dementia Diagnostics, University of Göttingen, Department of Psychiatry
- 2002-2007 Head of the research laboratory for Molecular Neurobiology & Neurochemical Dementia Diagnostics, Dept. of Psychiatry, University of Erlangen-Nuremberg

Fellowships, Awards, and Honours

- 1987-1990 Max-Planck Fellowship & DFG Post-doctoral fellowship, basic research in neuroscience and protein biochemistry, Max-Planck-Institute for Experimental Medicine, Göttingen
- 1991 Founder Award of the German Society of Electrophoresis
- 1999 Science Award of the „International Gastroenterology Foundation“
- 2000 Organon-Science Award of the German Association for Biologic Psychiatry (DGBP)
- 2003 Award for brain research in the department of geriatrics of the center for geriatric research, University of Witten-Herdecke
- 2011 Scientific Award “ZukunftErfinden NRW” of the North-Rhine Westphalia University Competition 2011

Professional Activities (Selection)

- 04/2007- Coordinator of the FP6 EU-funded Project Clinical Neuroproteomics of
09/2010 Neurodegenerative Diseases (cNEUPRO)
- 06/2012- National coordinator of the EU Joint Programme – Neurodegenerative Disease Research
05/2015 (JPND) funded project Biomarkers for Alzheimer’s disease and Parkinson’s disease
(BIOMARKAPD)
- 2010 - Principal investigator: Protein research Unit Ruhr within Europe (PURE), Ruhr-University
2015 of Bochum (RUB), North-Rhine Westphalia, Germany
- 2009 - Steering Board member and project leader within Neurallianz - a research cooperation in
2018 conjunction with the Pharmaceuticals Initiative for Germany
- Board member of the German Society for CSF Diagnostics and Clinical Neurochemistry
(DGLN; www.dgln.de)
- Member of the Study group on “Neuropsychopharmakologie und Pharmakotherapie”
(AGNP; www.agnp.de)
- Member of the National Commission for Diagnostic & Therapeutic Dementia Guidelines
 (“Nationale Versorgungsleitlinien”)
